

Notice

Situation of Corona Virus:

Coronavirus disease (COVID-19) is an infectious disease caused by a new virus. The disease causes respiratory illness (like the flu) with symptoms such as a cough, fever, and in more severe cases, difficulty breathing. You can protect yourself by washing your hands frequently, avoiding touching your face, and avoiding close contact (1 meter or 3 feet) with people who are unwell.

Instruction for Office Employees:

While working in Corona Virus Situation, these things must be followed in Pipeliners Limited Office premises:

- No people will enter the office only if an employee of Pipeliners Limited.
- Without coming to the office first contact through phone.
- Always maintain healthy and fresh environment for everyone.
- Work from home will be followed until further notice is announced.

Guidelines to be followed in Sites:

These rules have to follow by everyone in site in Corona condition.

- First and foremost, precaution should be ensured for medic and the people who will ensure daily checkup to the whole workforce. To do so PPE (Personal Protective Equipment) will be ensured for them consisting; Apron, Mask, Goggles, Glove, hand sanitizer etc.
- If any new member/s will be required to be added with the workforce; health history and checkup will be done and recorded by PL.
- Awareness programs will be run for all the members of the workforce.
- All workforce of PL will stay and work separately from the local people throughout the work period.
- Workforce will not use any public transport rather than they will use only confined PL provided transports.
- Daily temperature will be recorded 2 times using infrared thermometer.
- Hand-washes and soaps will be provided and use will be ensured.

Notice

- No cloths will be used twice without wash.
- 1 medic will be deployed with the workforce.
- Isolated home will be provided to keep persons separately in any syndromes found in the members of the workforce.
- Appropriate cleaning materials (alcohol or base type) will be provided to keep the home and environment clean and fresh.
- Workforce will be also provided required PPE for continuing work inside Chevron facility which will help them to be safe from not only fire or any kind of other accidents but also from COVID-19 (Corona) Virus.
